

Introduction to Digital Skills Courses

Course overview

We use technology to work, learn and communicate. Having digital skills has become an essential part of many job roles and can lead to exciting opportunities. Are you looking to improve your digital skills?

This course is designed to give you an idea of where to begin and will help to start you on a journey to learn about Digital Skills.

What will I study?

You will identify what you already know and explore what you need to learn. This will help determine the right level for you to work at and identify the best course for you.

Assessment method

You will receive feedback from your tutor throughout the course. You will be assessed using various assessment methods, including individual digital assessment of your skills and group work.

Entry requirements

There are no formal entry requirements. You should be able to understand, read and follow verbal instructions

What should I bring with me?

You will need to take notes so bring along your preferred tools such as a pen and paper or an electronic device.

We have computers for you to use in classrooms and in our Student Services Lounge. There are currently no printing facilities at the college.
