

Digital Skills Resit Revision

Course overview

This short course is to support you to review the skills you need before you re-sit the Digital Skills Exam for Essential Digital Skills for Life and Work

What will I study?

Your tutor will support you to prepare for your re-sit. This may include exploring the exam software, or the units you studied during your course.

Assessment method

During the course, your tutor will set tasks and assignments to help you to learn and progress. At the end, you should be ready to re-sit your online (exam style) assessment set by the examining board, which will take place within the college building. You will need to pass this to gain your qualification.

Entry requirements

You should have completed a previous Digital Skills course at Entry 3 or Level 1 and need to re-sit the exam to pass.

What should I bring with me?

You will need to take notes so bring along your preferred tools such as pen/paper or electronic device.

We have computers for you to use in classrooms and in our Student Services Lounge. There are currently no printing facilities at the college.

Key information

Where possible this course will take place on site with social distancing measures in place. In the event of a lockdown, the course will take place online via MS Teams.

Possible next steps

Following the successful completion of this course, you will be able to sit the exam.
