

Digital Skills: Level 2

Course Overview

We use technology to work, learn and communicate. Having digital skills has become an essential part of many job roles and can lead to exciting opportunities

This qualification will demonstrate your competence in the use of digital skills in or away from the workplace or in preparation for work or studies. It will prepare you for work in any environment where the main digital skills application packages are used.

This qualification is designed specifically for if you wish to build on your experience and knowledge and improve your understanding of computer applications.

What will I Study?

You will work with your tutor to complete the units most appropriate to gain useful work skills and achieve an award. This is likely to include:

- file management
- Word processing
- Excel spreadsheets
- PowerPoint Presentations

Assessment Method

The qualification is assessed by assignment per unit which last for 2.5 hours and may take place outside your class times.

All units are assessed via assignments which are individually graded. An overall grade for the qualification is awarded.

All unit assessments are marked and graded by your tutors.

Entry requirements

You should have successfully completed the Introduction to Digital Skills or the level 1 and be working at a minimum of entry 3 in maths and level 1 in English. Please ensure that your enrolment form is signed by your tutor prior to submitting it to the enrolment team.

What should I bring with me?

You will need to take notes so bring along your preferred tools such as a pen and paper or an electronic device.

We have computers for you to use in classrooms and in our Student Services Lounge. There are currently no printing facilities at the college.
