

Graphic Design Level 1

Course overview

This qualification will provide learners with an understanding of graphic design and is ideal for those looking to develop basic skills and techniques. The course looks at the main principles of graphic design and will give learners a strong foundation for progression into further study. Learners will benefit from developing a portfolio of design work throughout the course.

The course gives learners a strong foundation for progression into further study by:

- enabling learners to develop basic graphic design skills
- providing learners with an underpinning knowledge of graphic design processes and principles
- supporting learners to use materials, tools and equipment competently and safely.

What will I Study?

The topics you will study will include:

- Explore graphic processes, materials and techniques
- Explore sources of ideas in a graphic design context
- Explore and develop graphic design ideas
- Produce and present final graphic outcomes

Assessment Method

The qualification is assessed by you completing an assignment per unit.

Entry requirements

You should have successfully completed the Introduction to Graphic Design prior to enrolling on this course. Please ensure that your enrolment form is signed by your tutor prior to submitting to the enrolment team.

What should I bring with me?

You will need to take notes so bring along your preferred tools such as a pen and paper or an electronic device.

We have computers for you to use in classrooms and in our Student Services Lounge. There are currently no printing facilities at the college.

Key information

Code	Date	Time	Location	Full Fee	Concessionary Fee
