

Digital Skills: Introduction to Graphic Design

Course overview

Are you curious about what graphic design is? Are you contemplating gaining a qualification? This is the course to find out. You will explore some of the basics of graphic design and find out how it can be used so that you can decide whether to continue to a full Level 1 course.

What will I study?

You will learn how to use Adobe software to create and edit images and start to explore the use of Graphic Design in the world around you.

Assessment method

You will receive feedback from your tutor throughout the course. You will be assessed using various assessment methods including individual and group work.

Entry requirements

There are no formal entry requirements, although you should be comfortable with using a computer and be able to understand, read and follow verbal instructions.

What should I bring with me?

You will need to take notes so bring along your preferred tools such as a pen and paper or an electronic device. We have computers for you to use in classrooms and in our Student Services Lounge. There are currently no printing facilities at the college.
