

Digital Drop-in PC Access and Support Sessions

Course overview

This is designed to allow you to use the college PCs to access online learning.

What will I study?

You can access your college classes and work set online. This may include using MS Teams to join or review classes and to access or submit online work set by your class tutor.

Assessment method

You will receive feedback from your tutor on work submitted for any online class you are attending. A staff member will also be in the room with you to assist with any problems with logging in to the Teams class page, but please ask your course tutor if you need help completing the work set for a class.

Entry requirements

There are no formal entry requirements. You should be able to understand, read and follow verbal instructions

What should I bring with me?

You should bring anything you need for your class – for instance, if you need to take notes, please bring along your preferred tools such as pen/paper or electronic device.

There are currently no printing facilities at the college.

Key information

Where possible this course will take place on site with social distancing measures in place. In the event of a lockdown, sessions will need to be postponed.

Possible next steps

Following the successful completion of this course, you should be able to attend any online course suited to your needs.
