

Digital Skills Exam Resit / Exam Revision and Resit

Course overview

This session is planned to give you another opportunity to pass your EDSQ exam.

What will I study?

- If your session includes revision time (stated in the course name), the tutor will help you to review any important information first and allow you a break prior to taking the real exam. All re-sit sessions include sitting the exam.

Assessment method

You will be sitting the exam (a new paper) again.

Entry requirements

You can only be placed on a re-sit session through tutor referral.

What should I bring with me?

Come prepared for sitting your exam.

You may also wish to bring revision notes with you if your session includes revision time.
