

Carework – Level 1 Award in Preparing to work in Adult Social Care

Course overview

This is a beginner's qualification within the field of Health and Social care, it is planned to enable learners to develop a basic knowledge of the adult social care sector and is aimed at those individuals who wish to explore roles in this industry.

Who is it for?

This qualification is open to anyone who has an interest to work within the care industry. This is an area of growth, with lots of opportunities for individuals to gain employment. If you have a caring nature, a good communicator, and a willingness to support other individuals, then this course is for you.

You will need to have completed the Introduction to Health and Social Care course.

What will I study?

You will cover the following topics

- Introduction to the Adult Social Care sector
- Values and principles of adult social care
- Awareness of skills and attitudes needed to work in adult social care
- Communication within adult social care
- Roles and responsibilities of the adult social care worker.

Assessment method

Throughout the course you will receive feedback from your tutor. You will be assessed using various assessment methods, including your portfolio of evidence (which will be assessed by the accrediting organisation, on-line and paper-based assessments, individual and group work. You will also learn the skills to self reflect and evaluate your progress.
