

Principles of Business Administration Level 2 – Online Study

Course overview

This is an online study course – which provides you with a flexible way of developing new skills and attaining an accreditation in your own time.

This qualification will provide learners with the underpinning knowledge that is required by employees to work in a range of different environments in a business administration role, along with the know how to apply their knowledge in a variety of industries and job roles. While completing this qualification, learners may develop the knowledge, understanding and essential skills employers look for in employees. These range from familiar 'key skills' such as team working, independent learning and problem solving.

You will need to have attended an Introduction to Business Administration prior to enrolling onto this course.

You will also initially attend a physical induction session at the College, to ensure that you are able to log onto the online platform and meet your tutor/assessor.

What will I study?
