

Maths: Get Ready for Maths GCSE

Course overview

Need a GCSE? Not sure if you are ready for GCSE Maths? The Get Ready for GCSE Maths will give you the same experience as the full GCSE course. You will be introduced to the basic skills required to progress onto the full GCSE Maths course. You will develop the skills needed to feel confident in progressing to a GCSE standard.

What will I study?

You will begin to study the main topics of GCSE Maths:

- Number
- Algebra
- Ratio, proportion and rates of change
- Geometry
- Measures
- Statistics
- Probability

Assessment method

Various assessment methods, including on-line and paper-based assessments, individual, group work and communication activities, and given feedback on your progress. Throughout the course you will also receive feedback from your tutor and learn the skills to self-reflect and evaluate your progress.

Entry requirements

You will need to complete a maths introduction course prior to enrolling on this course to ensure this course is at a suitable level for your needs

What should I bring with me?

You will need to take notes so bring along your preferred tools such as pen/paper or electronic device. An A4 ringbinder folder and a calculator will also be essential.

Key information

Where possible this course will take place on site with social distancing measures in place. In the event of a lockdown, the course will take place online via MS Teams and telephone support.

Possible next steps

Following the successful completion of this course, you will be supported to enrol on to the most suitable level course for you.
