

ESOL Pre-entry / Foundation Reading and Writing

Course overview

This is an online ESOL course that is intended to support you in improving your English as a second language. This is a useful and flexible course delivered with real life contexts that will help you improve your literacy skills in English. You will work on developing your vocabulary, your ability to read and understand a variety of different texts in English that you see in everyday life. In addition, you will be writing your own texts using the vocabulary, grammar and language learnt in the lessons. The course consists of a full range of computer-based interactive activities including listening tasks, text display options, speaking and conversation exercises. You will be studying from the comfort of your own home, as all sessions will be delivered using Microsoft Teams on your PC, tablet, or smartphone.

Improving your English will help you to find a job, get a better job, prepare you for further study, apply for British citizenship and help you to prepare for everyday life in the UK.

This course is for people who do not have English as their first language and have no English, very little English or speak English but cannot read or write in this language and have not English level language skills:-

Very limited: you may know the alphabet, may say hello, goodbye, may speak but not read or write.
