

ESOL Level 1 Reading and Writing with Job Skills

Course overview

This is an online ESOL course that is intended to support you in improving your English as a second language. This is a useful and flexible course delivered with real life contexts that will help you improve your literacy skills in English. You will work on developing your vocabulary, your ability to read and understand a variety of different texts in English that you see in everyday life. In addition, you will be writing your own texts using the vocabulary, grammar and language learnt in the lessons. The course consists of a full range of computer-based interactive activities including listening tasks, text display options, speaking and conversation exercises. You will be studying from the comfort of your own home, as all sessions will be delivered using Microsoft Teams on your PC, tablet, or smartphone.

Improving your English will help you to find a job, get a better job, prepare you for further study, apply for British citizenship and help you to prepare for everyday life in the UK.

If you already have a great level of the English language, can express yourself, have a wide range of vocabulary and understand grammatical rules, this course will build on your current level of vocabulary to give you a rich understanding of the world of work.

What will I study?

- Speaking: conversations and pronunciation
- Listening: understand key-words, follow instructions
- Reading: recognize words, read the alphabet
- Writing: spelling, grammar, make simple sentences
- Gaining a nationally recognised qualification

Assessment method

- Tutor observation
- Question and answer
- Self assessment
- Paired, group, individual, and on-line tasks
- Homework

Entry requirements

Entry to this course is by recommendation from ESOL mainstream class Tutor. Learners need to meet the government resident eligibility criteria.

What should I bring with me?

Pen, paper, electronic device any ESOL certificates. You will be expected to download, complete and print off work that will be sent to you electronically. You will need IT skills such as working with a keyboard, mouse and use email.
