

ESOL Mixed Levels Introduction Course

Course overview

This is an online ESOL course that is intended to support you in finding out your current English language level for all skills including speaking, listening, reading, and writing. You will be studying from the comfort of your own home, as all sessions will be delivered using Microsoft Teams on your PC, tablet, or smartphone. At the end of this course you will be advised on available courses and directed to the most appropriate course that suits your ability and availability.

Improving your English skills will help you into the job market, to get a better job, help your child with homework, understand laws and customs and prepare for everyday life in the UK.

You will be studying from the comfort of your own home, as all sessions will be delivered using Microsoft Teams on your PC, tablet, or smartphone.

This course is designed to assess your current level of English to ensure that you

What will I study?

You will:

- complete online assessments and a short piece of writing. These are not tests but will identify your current level of skills.
- discuss your goals and areas for improvement to plan a way forward.
- be introduced to the online learning system so that you can access classwork / homework from home.

Assessment method

- online and paper assessments
- tutor observation
- one-to-one interviews
- classroom based tasks
- self-assessment

Entry requirements

There are no formal entry requirements. Learners need to meet the government resident eligibility criteria. Please ask for more information at the enrolment desk.

What should I bring with me?

Please bring a pen, paper, earphones and any ESOL certificates you may have.
