

Family Learning : Phonics and Beyond Taster

Course overview

This is a taster session (2 h) which will help parents/carers understand what the “Phonics” course is about. You will have the opportunity to practise a variety of techniques and strategies that your child’s school is using and improve your understanding of how to support your child with their reading.

What will I study?

You will:

- Be introduced to how phonics is taught in primary schools.
- Refresh your own literacy skills and improve your confidence when supporting your children with their reading homework.
- You will be introduced to the focus of the full course which will clarify how children use phonics to develop reading and writing skills.

Assessment method

You will have the opportunity to start to assess your own English needs and be able to set your own learning goals.

Entry requirements

This course is for parents and carers of primary aged children. This course is more suitable for KS1 but it can be helpful at any stage of your child education.

What should I bring with me?

You will need a device (Mobile phone, tablet, laptop) to access the online course. A paper notepad and pen is also useful.

Key information

This session will take place online via Microsoft Teams. If you need support with IT please contact the college and we will endeavour to support you.
