

Family Learning: ESOL for Parents

Course overview

This ESOL (English for Speakers of Other Languages) for Parents course is intended to support parents who are not fluent in English in improving their language skills so that they can communicate more effectively with their children's schools and participate more fully in their children's education. In general, this course aims to provide participants with the language and communication skills they need to be more involved in their children's education and to feel more connected to their communities.

What will I study?

Please note that to have the opportunity to ask questions about this course and get a good overview of what you will be learning you must enroll on the taster associated with this ESOL for Parents Course.

You will be learning:

- Basic English Vocabulary and Grammar: the course begins by teaching basic English vocabulary and grammar, as well as common words and phrases from daily life, family, and school.
- Communication Skills: You will learn to express yourself in English in a variety of settings, including parent-teacher evenings, school meetings, and community events.
- Cultural Awareness: You may gain knowledge about cultural differences and how they affect communication and interactions with others in the community.
- Increase your wellbeing: You will gain confidence in expressing your thoughts and ideas, as well as identify and achieve some personal learning goals.

Assessment method

Using your newly acquired verbal and written communication skills while completing various tasks and some homework will allow you to monitor your progress on a regular basis.

Entry requirements

This course is for parents/carers who wish to develop their English language communication skills. In order to ask questions and understand what you will be learning, you must also complete the taster associated with the course.

What should I bring with me?

You will need to bring a pen, paper or any other note-taking device for this session. You will need to have access to a mobile phone or any other electronic device. Please speak to your teacher if you have issues with online access.

Key information

This course will take place on site, at your child's school. You are advised, and will be supported, to install our learning platform Teams on your phone or any other electronic device. You will be able to access all the course resources and communicate with your teacher via Teams. In the event of a lockdown, the course will take place online via MS Teams.

Possible next steps

After completing these courses successfully, you will be supported to enrol onto the most appropriate progression course at the college. We offer various Vocational, Multiply, Math, ESOL and Digital skills courses.
