

Wider Family Learning : Create your Own Sea Creature

Course overview

This is a 1.5 -hour session for parents and their children to have fun creating their own sea-life creature and adventure. Get creative using felt, and other craft resources and make different sea animals, fish, Jelly fish, star fish and much more. This will provide a fantastic opportunity for children to discover the enjoyment of learning and creating relaxed environment and to stimulate their imaginations. Parents will learn techniques for sparking and engaging curiosity and enabling practical skill development in a child.

What will I study?

You will:

- Support shape recognition and cutting out
- Glue different materials to create sea-life animals
- Use the animals made and the child's curiosity to create your own sea-life adventure
- Use an object to support story creation
- Engage in activities which enable child development

Assessment method

The tutor will observe you and your child cutting shapes, making sea-life animals and how your child engages with you in the activity.

Entry requirements

This session is more suitable for parents and carers of children of 3 years old and above. We recommend one child per adult.

What should I bring with me?

Key information

This session will be at our Dagenham Site. You must stay with your child at all times.
