

# Wider Family Learning: Homemade Clay Crafts

## Course overview

---

Explore your child's creativity by joining this fun workshop. Make your own clay and use it to create clay crafts. These can be as simple or as complex as you and your child want. Once dry you can paint your clay creations. Homemade clay is easy to make and costs just pennies to make at home.

Working with clay promotes creativity. It is especially beneficial to young people – it helps promote self-confidence, encourages self-expression, and develops fine motor skills.

## What will I study?

---

You will be able to develop:

- Receptive communication:
- Patience and attention skills.
- Fine motor skills
- Concentration and focus
- Questions to encourage imagination, description and expression of feelings

## Assessment method

---

You will participate in discussions, Q&A, activities and receive verbal encouragement from the tutor throughout the session.

## Entry requirements

---

This course is for parents/carers with young children aged 4 and above.

## What should I bring with me?

---

You can bring your chosen method of note-taking such as notepad & pen or tablet. This may be a little messy so please wear old clothes.

## Key information

---

This workshop will take place at Parsloes Avenue
