

# Enrichment: Working with Special Educational Needs & Disabilities (SEND) Clients

## Course overview

---

This workshop will look at working with individuals with learning disabilities or difficulties. We will explore some issues that may affect them and how we can work best at supporting them. The course is idea for those whose work may involve clients with special educational needs and disabilities or clients or who may know those with SEND and want to support them more effectively.

## What will I study?

---

You will:

- discuss the concept of SEND
- have an overview of the Autistic Spectrum conditions
- identify some of the issues affecting an individual
- discuss the principles of supporting individuals with SEND
- identify the principles of safeguarding and protection

## Assessment method

---

You will participate in Q&A sessions and discussions and receive verbal feedback from the tutor throughout the workshop

## Entry requirements

---

You will be on one of our qualifications courses or have a serious interest in the subject. You will need a good understanding of English.

## What should I bring with me?

---

You will need to take notes so bring along your preferred tools such as a pen and paper or an electronic device.
