

CPD: Working with Dementia and Alzheimer's

Course overview

Working with people with dementia or Alzheimer's requires insight and compassion. This short course will provide you with a window into these conditions to gain a better understanding of the condition and its impact on individuals, their family and their friends. This workshop is ideal for those on Health and Social Care and Teaching Assistant courses and people working in those professions.

What will I study?

You will:

- Explore and discuss typical signs symptoms and characteristics
- Discuss adaptations in communication and interaction
- Gain insight into the impact these conditions have on friends & family
- Discuss Equality and inclusion in Dementia and Alzheimer's care
-

Assessment method

- You will participate in discussions and receive verbal feedback from the tutor throughout the workshop.

Entry requirements

There are no specific requirements however you will need a solid understanding of English.

What should I bring with me?

You will need to provide your chosen method of note-taking such as notepad & pen or tablet.

Key information

Where possible this course will take place on site with social distancing measures in place. In the event of a lockdown, the course will take place online via MS Teams.
