

LLDD Digital Skills: Digital Skills Entry 3

Course overview

We use technology to work, learn and communicate. Having digital skills has become an essential part of many job roles and can lead to exciting opportunities. Are you looking to improve your digital skills?

This new course will help you to study the core digital skills needed for work and leisure.

What will I study?

You will study the following 5 categories of essential digital skills for life and work at beginners' level (entry):

- communicating
- handling information and content
- transacting
- problem solving
- being safe and legal online

Assessment method

The qualification is assessed by assignment per unit. All units are assessed via assignments which are individually graded and may take place outside your class times. An overall grade for the qualification is awarded. All unit assessments are marked and graded by your tutors.

Entry requirements

You should have successfully completed LLDD Digital Skills: Preparing for E3. Please ensure that your enrolment form is signed by your tutor prior to submitting to the enrolment team.

What should I bring with me?

You will need to take notes so bring along your preferred tools such as a pen and paper or an electronic device.

We have computers for you to use in classrooms and in our Student Services Lounge. There are currently no printing facilities at the college.
