

# SEND D1 Digital Skills L1

## Course overview

---

This is the most advanced SEND pathway for Digital Skills. Classes will help you improve your computer skills for the workplace or for your personal life and prepare you to work towards a Digital Skills qualification at Level 1, at your own pace in a friendly group.

## What will I study?

---

You will start to explore the essential digital skills for life and work, so that you will be prepared for the full qualification at Level 1. This includes the following:

- communicating
- handling information and content
- transacting
- problem solving
- being safe and legal online

## Assessment method

---

You will receive ongoing feedback from your tutor. Work will be assessed by assignment, which are individually graded and may take place both within and outside your class times. All unit assessments are marked by your tutor.

## Entry requirements

---

You should have successfully completed the SEND C2 Digital Skills E3 course, or an assessment course placing you at this level. Please ensure that your enrolment is by tutor agreement.

## What should I bring with me?

---

You will need to take notes so bring along your preferred tools such as pen/paper or electronic device.  
We have computers for you to use in classrooms and in our Student Services Lounge. There are currently no printing facilities at the college.

### **Key information**

---

Where possible this course will take place on site with social distancing measures in place. In the event of a lockdown, the course may need to take place online via MS Teams.

### **Possible next steps**

---

Following the successful completion of this course, you will be supported to enrol on to the most suitable level course for you.

### **Contact us**

---

Our friendly staff can give you further advice and support.
