

# SEND: Getting Around London

## Course overview

---

Build confidence by sharing ideas with others. In this course you will be able to explore the types of transport used in London to get to places of interest and match transport to a journey and plan a trip. You will be able to build communication skills during classroom discussions, make choices, share ideas with people and build personal interests that can be explored outside of College.

## What will I study?

---

You will:

- Discuss what type of transport is best for individual journeys around London and describe your likes and dislikes relating to using transport
- Identify places people like to visit
- Discuss what might be needed for a journey
- Plan a trip

## Assessment method

---

- You will also take part in Q&A sessions and discussion to confirm your understanding.
- There will be classroom activities which you will also receive verbal and written feedback for.
- You will put together a folder of work that will receive written and verbal feedback.

## Entry requirements

---

- Listen & respond to other people within the class, joining in with discussions and activities
- Follow requests and instructions containing 2 key words, signs or symbols
- Make requests independently, for example by vocalising, signing or using symbols, share ideas or preferences
- Indicate an object or person using one or two key words, signs or symbols

## What should I bring with me?

---

An A4 folder, A4 notepad and a pen.

## Key information

Where possible this course will take place on site with social distancing measures in place. In the event of a lockdown, the course will take place online via MS Teams or via a remote learning pack.

## Possible next steps

Following the successful completion of this course, you will be supported to enroll on to the most suitable level course for you. You might like to go on to our Around the world course.
