

SEND: Around the World

Course overview

Build confidence by sharing ideas. You will be able to look at parts of the world people go to visit and learn about why people choose to go to the places they do. You will be able to build communication skills during classroom discussions, make choices, share ideas and experiences with people and build personal interests that can be explored outside of College.

What will I study?

You will:

- Talk about why people choose certain places to visit and what sorts of places people like visiting
- Explore how people get to their destinations
- Find out about things that are different in other countries such as flags, national costumes and languages

Assessment method

- You will also take part in Q&A sessions and discussion to confirm your understanding.
- There will be classroom activities which you will also receive verbal and written feedback for.
- You will put together a folder of work that will receive written and verbal feedback.

Entry requirements

- Listen & respond to other people within the class, joining in with discussions and activities
- Follow requests and instructions containing 2 key words, signs or symbols
- Make requests independently, for example by vocalising, signing or using symbols, share ideas or preferences
- Indicate an object or person using one or two key words, signs or symbols

What should I bring with me?

An A4 folder, A4 notepad and a pen.

Key information

Where possible this course will take place on site with social distancing measures in place. In the event of a lockdown, the course will take place online via MS Teams or via a remote learning pack.

Possible next steps

Following the successful completion of this course, you will be supported to enroll on to other courses suitable for you such one of our other Getting Around.. Courses, Personal Development through Drama, Relationships & Boundaries or other Health or Life Skills courses available at the college.
