

SEND: Creative Expression III - Multimedia

Course overview

This course builds on Creative Expression I and Creative Expression II. The five multimedia elements of multimedia are text, image, audio, video, and animation. During this course you will use at least 2 of these elements to express your thoughts and feelings.

You will use art and craft to help your personal development and growth. The course will help you to build your confidence and self-esteem and work towards feeling less stuck.

What will I study?

You will:

- Choose which elements of multimedia you wish to use
- Use at least 2 elements of multimedia to communicate and express yourself
- Use multimedia art to help you work out how you feel about something
- Experience how expressing yourself through art helps you develop as a person
- Be able to share your expressive art with other people if you wish

Assessment method

- Take part in classroom activities
- Take part in Q&A sessions and short discussions
- Your tutor will give you verbal and written feedback throughout the course

Entry requirements

- Be able to participate in class activities
- Be able to work with others
- Be able to follow instructions

What should I bring with me?

An A4 folder, A4 notepad and a pen, colour pencils. Please wear old clothes.
You may be asked to bring items from home to be upcycled as part of your art.

Key information

Where possible this course will take place on site with social distancing measures in place. In the event of a lockdown, the course will take place online via MS Teams or via a remote learning pack.

Possible next steps

Following the successful completion of this course, you will be supported to enroll on to other courses suitable for you such as Personal Development through Drama, Relationships & Boundaries or other Health or Life Skills courses available at the college.
