Employability : Work Skills Explorer

Course overview

Are you looking for a change of career or wanting to explore career opportunities in a specific sector or are unsure of what career you wish to pursue and are still exploring your own interests and strengths.?
Then this short interactive course is for you!
A great mixture of interactive, online, video and tutor facilitated blended learning.
Choose the area you are interested in and along with the guidance and support from your tutor, you will be able to assess the skills needed and gain an insight into the various job roles in the different industries.

What will I study?

The course gives a realistic view of what it is like to work in a range of sectors through case studies, videos, and work-taster activities, which help individuals to understand how their skills and personal attributes may be compatible to job roles in the sector they are interested in.
BTEC Explorer course consists of three bite-sized modules with
related learning activities:

MODULE 1 – Finding out about yourself.
MODULE 2 – Finding out about the sector.
MODULE 3 – Next steps towards your career

Subject Sector areas available
Business, construction, Childcare, Digital Technology, Engineering, Health and Social Care, Hospitality, Land based, Logistics and Sport and Recreation.
